NEW LIVING EXPO ANNOUNCES 2018 SPEAKER LINEUP

Schedule includes Top Influencers such as Marianne Williamson, John Gray & Carolyn Myss

SAN MATEO, CA – February 7, 2018 – The New Living Expo (NLE) announced its 2018 speaker lineup which features over a hundred other influential authors, experts and practitioners who will present various lectures and workshops April 27-29 at the San Mateo event center.

“We once again have tried to bring to the event a wide variety of presenters from a wide variety of backgrounds and perspectives,” said Ken Kaufman, co-founder and longtime executive producer of NLE. “The one common thread they all bring to the table are new different ways of approaching better living and the future.”

Authors Marianne Williamson, John Gray, Caroline Myss and James Van Praagh are joined by Actress and health activist Loretta Swit, and Actor Anson Williams (Potsy of “Happy Days”) as some of the best known presenters at NLE this year. Two special features this year include a special 7 PM screening of the documentary “PGS – Intuition Is Your Personal Guidance System” on Friday, April 27. The film chronicles Australian director Bill Bennett’s investigation of human intuition and features numerous interviews with experts from science, religion and spirituality. Bennett will be on hand to discuss the film after the screening. On Saturday, April 28, NLE will present the “Conscious Comedy Festival” featuring Will Durst and Swami Beyondananda aka Steve Bhaerman, also at 7 PM.

“Our bookstore is one of the most popular destinations at NLE, and is one of the largest of its kind at any lifestyle event,” said Kaufman. “Our attendees are thoughtful, curious people who read a lot. We’re very proud of that!”

The bookstore is booked solid with author signings all weekend. The event also features DIY panels, a live Food Stage with performing chefs, 180+ special exhibits, Yoga classes, QiGong demos and natural food sampling and dining in the Food Pavilion.
